YOUTH DEVELOPMENT

Suitable for beginners or U7-U11 goalies.

The **Youth Development** program is where a strong foundation is built to enable our students to progress onto higher levels of play. This program specializes in all the basic components of the position including Stance, Butterfly Mechanics, Movements, Angles & Positioning, Reads, Tracking, Speed, Post Play, Breakaways etc. while creating a fun engaging learning atmosphere. Having strong fundamentals will allow the goalie to change and adapt as the game around them changes.
